

R.A.C.E. Printer Cabinet

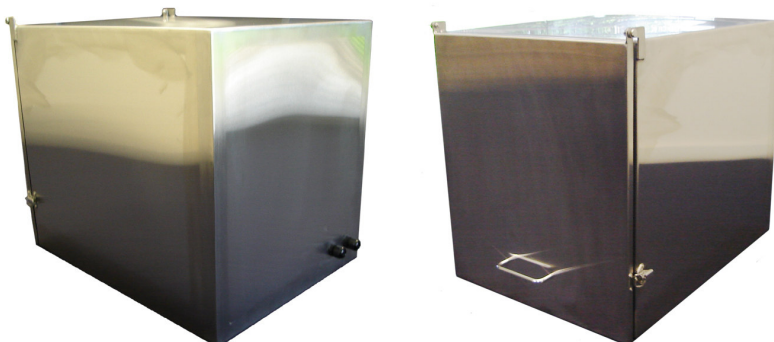

Protect your investment with a RACE stainless steel printer cabinet

Our cabinets are designed to keep the water and dust out of your printer during non-use or wash-down periods. This keeps your valuable asset safe and guarantees the longevity of your printer by providing a water/dust tight seal and an internal micro-climate to maintain your printer at a steady temperature.

Each cabinet is designed to suit your printer type. This could be a Zebra, Datamax, Meto, Fargo, Tharo, Intemec, Eltron, or Birch printer, of any model and size.

Features:

- IP65 rated seal when front door closed
- Designed to suit your printer make and model
- Stainless steel construction
- Sliding shelf with heavy duty runners for easy printer access
- Two 16mm cable glands for cable entry
